CCRC Young Republicans Club Kickoff BBQ

By Susan Monaco, Vice Chair

On Saturday, August 26, the CCRC hosted an event at the Burnt Ends Event Facility, organized by Dave Crissman and members of the Events Committee, to kick off the Committee's focus on Young Republicans. Over 65 people attended the event, which featured speeches from Republican nominated and endorsed candidates in upcoming local and statewide elections. Terese Matricardi (School Board, Salem District), Joe Watson (Sheriff), Russ Rabb (Commonwealth's Attorney), James Manetz (for Senate Candidate Bryce Reeves), and Nick Freitas (Delegate District 30), all spoke about their campaigns and reminded the crowd to vote early, starting Friday, September 22nd.

CCRC Vice Chair Susan Monaco introduced James Brubaker, a sophomore at Culpeper County High School, who started a club at school called Young Conservatives of Culpeper County. James spoke passionately about why this club is so necessary to help thwart the liberal ideas constantly thrown at students and to help his generation understand the importance of respecting our freedom, the American flag, and the U.S. Constitution, as well as embracing conservative values. James then introduced keynote speaker, Delegate Nick Freitas, who discussed the importance of getting young people involved and teaching them to always ask the other side "Why?" Nick also talked about the importance of maintaining the House of Delegates and taking back the Senate.

Local Elections Matter and You Can Help!

By Maggie Cleary, (edited for newsletter)

CCRC colleagues, I am looking forward to seeing you all soon and getting our candidates elected this November! We will have two sign-up sheets available, one is for "EDO," or Election Day Operations and the second is specifically for early voting. You may contact me or Lorraine Carter at CulpeperGOP1776@gmail.com or stop by HQ if you can volunteer for us this year. Like we've done in past years, we need volunteers to serve as "precinct captains" for the 16 precincts. Captains will be responsible for filling up the schedule for that day. If they want to work their polling station alone that day, they are free to do so, although not advisable ☺. Each precinct will have sample ballot sheets and sample ballot signs provided.

Now that the voting game has changed, we must change the way we play it. Early voting starts on September 22. I wish it were possible to CONSTANTLY be at the registrar's office, but the best and most efficient use of our time is to cover located at the registrar's office on Saturdays between now and election day. So please check our "Saturdays" schedules!

I know I do not need to stress the importance of volunteering. I plan to have a "volunteer training" (as we've done in the past) on the Saturday before the election. I will then distribute the various precinct boxes and signs. Thank you all for all that you do. Local elections MATTER. Thank you for helping your community, and your county!
